Change of the Statutes: proposal to amend art.10				
A demand to amend article 10 of the statutes, concerning the admission of new members, was sent to us by Serge Odin, president of the FFAP (France) and May Closa, president of the SEI (Spain). Article 10, section 3, now states that the application letter must enclose "sponsoring letters of at least two Member Societies" and that "if there are other Member Societies in the country of the applicant, one of the sponsors must be from that country". They propose to change the rule as follows: "If there are other Member Societies in the country of the applicant, a minimum of 50% +1 of the total number of votes they represent, must be in favour of the admission."	326	38	20	70,56%

Cordialement,

Domenico Dante
