## FISM Newsletter

**Nr. 71 – December 2019**

**To all Presidents of the FISM member-societies,  
and Delegates in the GENERAL ASSEMBLY of the FISM**

Dear Mr. President, Dear Friend in Magic,

In this Newsletter I take pleasure in highlighting the latest developments.

### **FISM COMPLIANT COMPETITION SYSTEM (FCCS)**

It was some years ago that a working group has been established, consisting of the members of the Board (Dante, Brengman, Yamamoto, Peter Din), completed by Andrea Baioni (Italy), Magic Christian (Austria), Eberhard Riese (Germany) and Albert Tam (Hong Kong, China).

The aim was to establish a pool of qualified judges from which the Board could make its choice to compose the panels to judge the FISM Championships, but also to give support and legitimacy to major competitions all over the world wishing to obtain the label "FISM Qualified Contest".

Giving, indeed, to each country the best possible chances to select candidates meeting the minimum FISM requirements, thus allowing them to participate in the Continental and World Championships. The presence in the national judging panels of qualified FISM judges would help to attain this goal.

With this in view, a program has been set up to form and train prospective judges. In other words we proposed to use "the same language" during competitions.

I am really pleased to see that the FCCS was not only well accepted but that many organizers (FISM affiliated and not) are ready to use it during Regional and local events. In attachment please find a pdf of the complete system we are using to promote it.

Kind Regards,

Domenico Dante  
International President
