Nr. 92 – May 2021

To all Presidents of the FISM member societies
and Delegates in the GENERAL ASSEMBLY of the FISM

Dear Mr. President, Dear Friend in Magic,

A few weeks ago Magic Christian, world famous magician, historian and President of the Magischer Klub Wien (FISM member society from Austria), suggested that we create the
“WORLD DAY OF MAGIC”
(MAGICAL ENTERTAINEMENT)

The FISM Board with an official BOD decision enthusiastically accepted his proposal.
We asked the Continental Presidents for opinions and suggestions, imagining several dates out of the most well-known ones around the world.

After this consultation the first and most voted option is:
- **September 2nd : the day when the FISM was founded.**

Since we will ask all the delegates for a vote, the most voted alternative choice is:
- January 31st : the feast of Saint John Bosco.

We think that this commemorative day should be manageable, easy to deal with (not during holidays, not near Xmass or Halloween, etc.) so some events could be organized around the world at that time.

You will be asked for a vote very soon.

Best regards,

Domenico Dante
