FISM Newsletter

Nr. 97 – September 2021

To all Presidents of the FISM member societies
and Delegates in the GENERAL ASSEMBLY of the FISM

Dear Mr. President, Dear Friend in Magic,

I am very pleased to celebrate for the first time in the history of FISM our **Magic World Day – Magical Entertainment** this September 2 (day of the founding of our federation).

Therefore I invite you to make a wish.

Mine is very clear: to continue to move forward with the ascending line of post-COVID normalization and to see the entire magical community return, little by little, to set foot in theaters, to act in events, congresses, private and public parties.

I wish you with all my heart to enjoy our MAGIC WORLD DAY!

Best regards,

Domenico Dante
