

# FISM Newsletter

No. 121 – 7<sup>th</sup> NOVEMBER, 2022

**To all Presidents of the FISM member societies  
and Delegates in the General Assembly**

Dear President, Dear Friend in Magic,

Our magic community has lost one of the masters of our art.

Max Maven was a historian, a creator, an influencer, an inventor, a writer, a lover of magic, an incredible performer and a big fan of FISM that he helped to grow and get more authority thanks to his wise advice and his faithful presence.

He was a member of the FISM Intellectual Property Rights Consultancy Group; he also promoted magic and FISM around the world with his gentleness and intelligence.

I met him at FISM World Championships of Magic for a long time, and I was lucky to spend time with him and enjoy his speech during the awarding ceremony at FISM WCM 2022 in Quebec.

On behalf of the FISM International Board, we salute his legacy and what he did for the magic community and for FISM.

R.I.P.

Best regards,

Andrea Baioni  
International President
