No. 122 – NOVEMBER 24th, 2022

**To all Presidents of the FISM member societies
and Delegates in the General Assembly**

Dear President, Dear Friend in Magic,

It's a pleasure to keep you informed on the latest developments.

FISM JUDGE QUALIFICATION SYSTEM (JQS)

The FISM Judge Qualification System was developed to qualify people as FISM Official Judges and give the competitors of FISM competitions a jury panel able to judge with FISM criteria and following the FISM Contest Rules and Procedures.

Our aim is to qualify the judges able to make the level of magic grow thanks to their knowledge and their vision, while always following the FISM rules and knowing the history of FISM competitions, and understanding the development of the art of magic.

For this reason, the FISM International Board is working to update the FISM Judge Qualification System to make it fit the aims of FISM. Therefore the requests to become FISM Official Judges are suspended until December 31st, 2022, to have time to work on the second step of the FISM Judge Qualification System.

All the judges in training can complete their training following the old procedure.

NEW FISM OFFICIAL JUDGES

We are happy to announce that Bill Cheung (Austria) and Arthur Tivoli (France) have been appointed as FISM Official Judges after following the training and passing all the tests.

MEET THE FISM BOARD MEMBERS
