## FISM Newsletter

No. 132 – SEPTEMBER 2<sup>nd</sup>, 2023

To all Presidents of the FISM member societies  
and Delegates in the General Assembly

Dear Mr. President, Dear Friend in Magic,

Today marks a truly remarkable occasion – it is the **FISM WORLD MAGIC DAY**.

On this day, we celebrate the art of magic, not only as a form of entertainment but also as a way of life and a unique perspective on reality.

For the third time in history, we unite to honor the magic that enriches our lives. As magicians, our mission extends beyond mere tricks; it is about inspiring people to embrace the belief that the concept of "impossible" does not exist.

I kindly urge you to share this message with your esteemed members, reminding them of this MAGIC DAY. Please make this celebration resonate across your community through social media, emails, or any communication you find fitting, and share it with FISM social accounts (Facebook, Instagram, TikTok)

I am wishing you and all your members a joyous and enchanting FISM WORLD MAGIC DAY.

Best regards,

Andrea Baioni  
International President
