International Federation of Magic Societies

FISM Newsletter

No. 133 – SEPTEMBER 5th, 2023

To all Presidents of the FISM member societies
and Delegates in the General Assembly

Dear Mr. President, Dear Friend in Magic,

I extend my most cordial greetings to you, my esteemed colleague in the world of magic.

Today the momentous occasion of **FISM's 75th anniversary**, it is with great pride and joy that I reflect upon the remarkable journey of our Federation. Since its inception, FISM has displayed an unwavering commitment to growth and continuity,

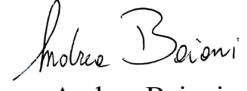

On **September 5th, 1948**, our Federation was founded and since that day, together with the magic community, we have accomplished many things since then, like organizing **28 World Championships of Magic**, creating **6 Continental Divisions**, having **112 member societies**, and involving **thousands of magicians** worldwide.

Today we want to pay homage to FISM's rich history and resolutely reaffirm our commitment to one of its enduring objectives: "to enhance the cooperation between Member Societies and encourage the exchange of reciprocal aid and services."

In the spirit of unity and collaboration, let us join hands to continue nurturing and advancing the art of magic worldwide.

Happy birthday to FISM, and indeed, **happy birthday to each one of you** who contributes every day to the achievement of FISM's goals.

Best regards,

Andrea Baioni
International President
