**To all Presidents of the FISM member societies and  
Delegates in the General Assembly**

Dear President, Dear Friend in Magic,

Today is a day of joy and wonder—it's the fourth annual **FISM World Magic Day!**

This isn't just any event; it's a vibrant celebration that places magic at the center of our lives, transforming our perception of reality and proving that the impossible is merely a challenge awaiting mastery.

Together, let's ignite the spirit of this special day within our global community. As magicians, we do more than perform tricks: we spark imagination and open minds to endless possibilities. Let's share this powerful message far and wide, encouraging each member of our community to turn this day into a festival of enchantment and inspiration.

Please join me in broadcasting our magical celebration across all platforms. Share your Magic Day festivities on social media, send out celebratory emails and post videos—let's connect on **FISM's official social media accounts (Facebook, Instagram, TikTok, Bilibili)** and make our presence resonate worldwide. Let's make this **FISM World Magic Day** the most memorable day, yet filled with joy, creativity and magic.

Thrilled to see how you will all embrace and glorify this incredible day, I wish you all a spellbinding and spectacular celebration!

Best regards,

Andrea Bajoni

FISM International President
